# Color Certification Requirements

---

Color Certification is a program for Independent Mary Kay Beauty Consultants to develop skill and knowledge with our palette of colors on a variety of faces. It is also a way to build a strong marketing tool with a Before and After Portfolio.

## HOW DO YOU CERTIFY?

- Prepare a complete three-ring binder with page protectors for the Before & After looks.
- Work with your Independent Sales Director to do your own designed Look. Wear a new Look as often as possible especially on Meeting Night.
- Bring at least 6 models to wear the established Color Certification looks (averages out to 1 per week).
- You can complete your looks at other appointments however you must bring the completed color look with Before and After photos and a Lipstick Marketing Profile for your Independent Sales Director to sign off on for it to count.

## PLEASE PACK LIGHTLY

No Starter Kits please! Some suggestions for eliminating too many showcases in the room are:

- Put all the samples needed for the Look in a zip-lock bag for each model. Include a Beauty Book, Profile, sales slips, and an agreement.
- OR, Put all your flat products in each clam shell mirror.
- OR, Pack everything you need in your "On the Go" bag with the brochure display and your models complete set up inside.

## TIMING

- 6:00 Doors Open
- 6:30 Welcome
- 6:45 Doors shut and the class begins. (*You will be able to sit in the meeting room with your Model if you are late.*)
- 7:20 Lipstick Marketing
- 7:30 Color & Class Close
- 8:00 Regular unit meeting (introductions, fun & recognition) with models
- 8:15 Meeting close and models have a chance to go shopping.

## OTHER RESPONSIBILITIES:

### COME PREPARED

You will be responsible for your own Before & After pictures. So bring your own camera.

If you are a new consultant and do not have your Starter Kit yet, see your Recruiter or Independent Sales Director for the supplies you will need.

Please bring all your supplies needed to complete the facial and the Look. It's not fair, and it's distracting to the instructors and other consultants to borrow color, powder, face clothes, mascara, etc.

### PLEASE BRING A SMALL GIFT FOR YOUR MODEL!

Everyone will be entered into a drawing with their *Lipstick Profiles*, but if they don't win, you want to make sure you give them a gift of appreciation!

The instructor will introduce your model for you with her Color Certification Look.

## WHAT WILL COLOR CERTIFICATION DO FOR YOU?

### YOU WILL...

- Learn a lot about color combinations and the array of our color palette on a variety of skin tones.
- Feel confident when you do a makeover on your customers especially with the unusual colors.
- Have a full Color Portfolio that you can show to customers to help them get excited.
- Receive a fabulous "Color Insider" Certificate for your Mary Kay Wall of Fame when you have brought at least 6 models for the 6-week program (averages out to 1 per week).
- Have a reason to bring lots and lots of models to the meetings. This will mean more sales and team members for you!

# Color Certification Script Ideas

---

## KEY SCRIPT POINTS

- Be excited
- Mention Color Certification and tell her why you thought of her
- Give details of model criteria
- Tell her about the door prizes & special offers
- Mention inviting friends and the additional “Free Product” gifts she will earn
- Confirm with her what you agreed on

## GUIDELINE SCRIPT

“Hi \_\_\_\_\_. This is \_\_\_\_\_ with Mary Kay. Do you have just a minute? Well, I’m really excited! I have signed up for the Mary Kay Color Certification Program to get my professional training and I need models to wear the Looks. I’ve been asked to bring sharp, friendly women who are willing to play and I immediately thought of you. Is there any reason why you couldn’t be a part of my Certification Model Portfolio? (Wait)

Great! The workshops are at our studio on (\_\_\_\_day) (at \_\_\_\_time) . You will be with other models and I will be with you. We’ll take your Before and After picture, and I’ll have a surprise gift for you too. So tell me, what do you think? (Wait)

Oh, and there’s more! There will be door prizes, you’ll hear a little about what I’m doing and you’ll be a part of our training and recognition as we introduce the Looks to other consultants. And of course you have no obligation to purchase anything but if you decide you want some goodies, I have a special offer just for you that night.

You know the other thing is that you can always take advantage of my referral bonus program and earn free product by asking a friend or two to come along. It’s a fabulous, exclusive gift only for those who have 2 friends join them - you’ll LOVE it!

## REVIEW & CONFIRM:

Thanks so much! So, I’ll pick you up on \_\_\_\_\_, at \_\_\_\_\_. I will be wearing a jacket and skirt as will the consultants. Please choose an outfit that you love to wear with \_\_\_\_\_ (color family she is modeling). I can’t wait, we are going to have so much fun!

## SCRIPT IDEA FOR MEETING PEOPLE

“Hi. My name is \_\_\_\_\_ and I’m an Independent Mary Kay Beauty Consultant. I am currently enrolled in a Color Certification Course to develop my Professional Expertise and have very specific model looks to create for my Before & After portfolio.”

“There’s a couple of Looks that I think you would be great for and I was wondering if you would consider coming to be my model at my Certification Class?

*Then continue on to give her the same details as the previous conversation beginning with paragraph #2 (Great! The workshops are at our studio on ...).*

## RSVP TO YOUR DIRECTOR

**It is important to RSVP to your Director by 5:00 pm the *Monday* before the training with your model’s name and phone number.** This allows us to be fully set up for the right numbers.

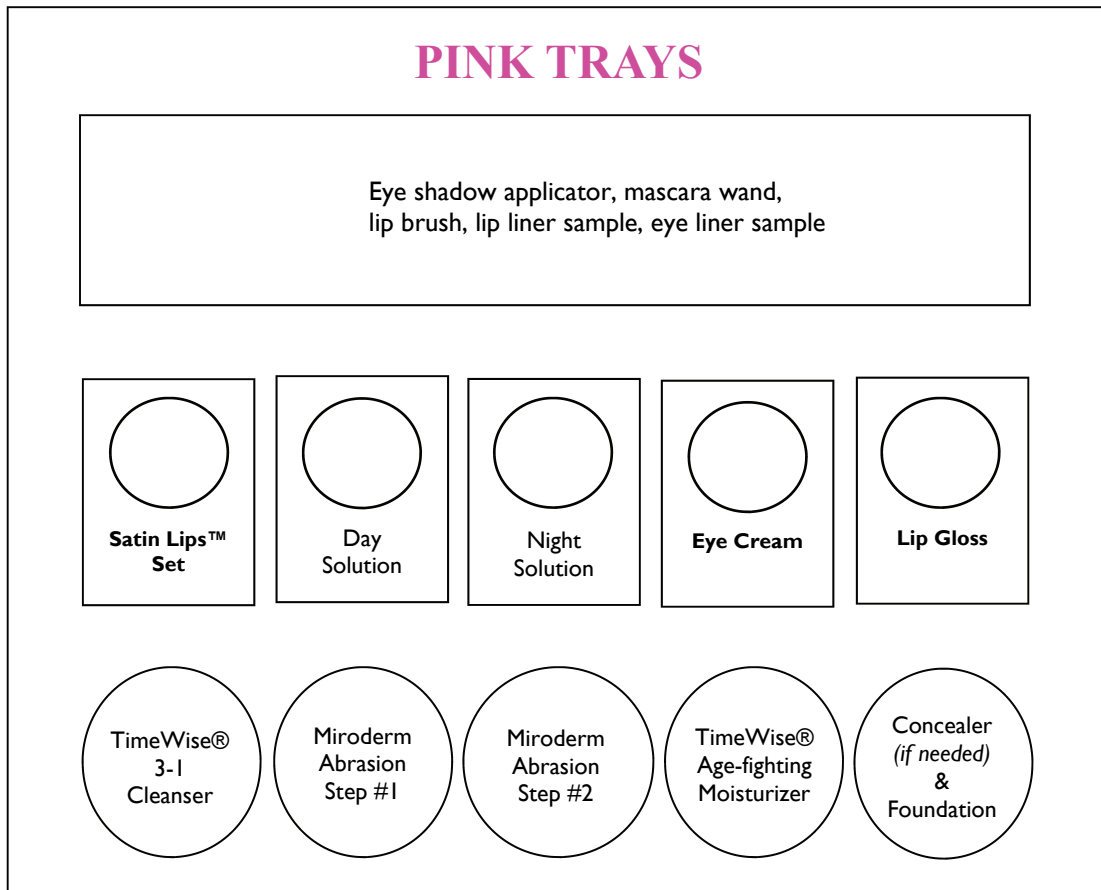

For your key prospects, your Director can then call and confirm. She will say, “Hi \_\_\_\_\_, this is \_\_\_\_\_. I am \_\_\_\_\_’s Independent Mary Kay Sales Director. I understand that you will be helping her with her Color Certification training and I just wanted to thank you in advance for coming tomorrow night. She is so excited and I look forward to meeting you. Do you have any questions? Great, we’ll see you Tuesday night!”

## MODEL PROTOCOL

Always introduce your models to your Director when they come in and take them to say goodbye to her when you leave. Every bit of layering helps.

Make sure your Director has the *Lipstick Profile* filled out completely. This will allow your Director to follow-up for you.
