

- Guaranteed \$500 week!

Don't you just love that?

Materials needed:

- 5 Silent Hostesses
- 5 Fun packets (one for each hostess) each fun packet is simply a 9x12 envelope with an "outside order form" taped to each side with the following inside.

2-3 Look Books

MK wish list

Hostess contest information

Recruiting literature/Choices CD

Mary Kay referral list

- **Lots of excitement and enthusiasm!! J**

How it works:

You will need to have 5 silent hostess who each take up a minimum of \$100 in outside orders. Provide each hostess with a filled fun packet and a date that you will pick it back up. We are giving our hostesses a week to get their orders together—they receive their packet on Monday or Tuesday and we are picking them up the following Monday or Tuesday. You may choose the day you want to deliver and pick-up. Each hostess should complete a wish list first thing so she will be excited about getting her order finished because...they will get to shop for \$100 in product at 50% off when they turn their order in!!

One suggestion would be to plan the \$500 week promotion as a unit event. We will have a hostess appreciation night. All your hostesses will be invited to our event (location tba) and we will pamper them, have snacks, door prizes, and of course show "Consider the Possibilities."
